PLANNED GIVING + L'ARCHE

Sustain a world where people with and without intellectual disabilities LIVE, GROW, and LEAD TOGETHER in communities of belonging for years to come!

Challenge

Adults with intellectual and developmental disabilities lack access to home, stability, and genuine community.

Yet sustaining and growing L'Arche requires reliable resources that extend far into the future.

Opportunity

For 60 years, L'Arche has proven that people with intellectual disabilities thrive when living in community.

Across the U.S., L'Arche strengthens established communities, supports new ones, and advances a more inclusive society.
